# Lectures and exercises "Computer Science" (for Environmental and Resource Management)

Winter term 2004/2005  
Kurth / NN

This unit consists of lectures (2 hours a week) and exercises (also 2 hours a week).

It is designed for students of the Bachelor/Master/Ph.D. course "Environmental and Resource Management".

Lectures: Tuesday, 07:30–09:00, SR 3.

Exercises: Friday, 07:30–09:00, EH/213.

The lectures start on Tuesday, October 19.

The exercises start on Friday, October 29.

**There will be no exercises on the first Friday, October 22!**

An inscription for the exercises will be organized in the first exercise unit.
